

EHS Policy

At Kornit Digital, we believe that protecting the environment, prioritizing health, and ensuring safety are essential to our purpose and fundamental to our success. Compliance with applicable local and international laws, regulations, and standards is not only a responsibility but a critical factor that enhances the value we bring to our organization and stakeholders. We are resolute in our belief that every person has the right to a safe and healthy work environment, and that injuries and safety incidents are preventable.

At the heart of all we do lies our guiding principle of **CARE**. We care for our people, customers, suppliers & contractors, ensuring their safety and well-being. We care for the planet, acting as responsible stewards of its resources. And we care for progress, driving innovation responsibly to create a sustainable and safer future for generations to come.

Our EHS commitments:

- **Enhancing** employees' awareness to company policies & standards.
- **Risk evaluation** of the work environment.
- **Initiating, educating & recognizing** safe behavior.
- **Learning** from incidents.
- Creating a work environment that **encourages** personal responsibility and accountability
- **Encouraging** employees & **Consultation** with them to support our efforts to continually improve health and safety performance.
- **To Promoting** a pro-active environmental, health and safety culture where our people and partners at all levels work to meet and exceed requirements.
- **Establishing** safety wherever we go as a Value
